CRLS

2021

Greetings everyone,

I'm Routh GD Senior class President and I'm Samia Afrose Senior class Vice President. We'd like to start off by saying congratulations to the CRLS Class of 2021! We also wanted to say thank you and give a big shout out to Jacqui Cesario and anyone who helped contribute to the senior class team this year, we cannot thank you all enough. We unequivocally have had quite a challenging and unique high school experience. From the nervous jitters on the first day of freshman year, to helping the Black Student Union break a world record sophomore year, to going remote during our junior year,and now as we cross the stage as seniors to receive our high school diplomas.

During our four years here we have been exposed to a myriad of opportunities including student organizations, various programs, sports, jobs, internships, and more. CRLS presents so many endless opportunities and it took me a little bit to realize that in order to reap the benefits, you need to be able to advocate for yourself and take advantage of those opportunities. Throughout our four years we have both participated in so many activities and collaborated with so many different students. We are going to miss being in such a familiar environment but we recognize that it is time to move on. As an African American woman and as an Asian American Muslim woman we celebrate the diversity in culture and religion through CRLS annual Black History month assembly, the annual Taste of Ramadan event, connecting different racial clubs (BSU, Latin X, Asian Club, etc.), Black and Palestinian solidarity in Cambridge, Culture Night, and more.

We also recognize the racist and misogynistic actions prevalent in the CRLS community, but we as youth activists, demanded and advocated for change and accountability. We did not hesitate to amplify our voices and we, as future leaders that will enforce change and challenge the pre-existing social norms in efforts to fight for social justice.
We are so deeply proud of the great endeavors and achievements of all of you. We are confident that each and every one of us will strive to accomplish our goals and indisputably be successful on our own terms. Our experience at Rindge is not one to be forgotten. The growth we all have experienced will indefinitely stay with us. We hope you all continue to blossom and never hesitate about who you are. Congrats again to the CRLS class of 2021!
Sincerely
Routh GD & Samia Afrose

Dear CRLS Class of 2021,

Congratulations on achieving this hard-earned milestone! I know that in many ways, this year has been challenging and far from the senior year you imagined. You have persevered during a very difficult time of remote learning during a global pandemic, and I want to acknowledge your leadership, tenacity, and resilience. I am so proud of you.

As you reflect on your time at CRLS and look forward to brighter days of being around your friends and loved ones, I made sure that each of you received this yearbook for free, as a gift to remember an unforgettable year, and to also serve as a reminder of the remarkable memories and experiences you've had during these past four years.

Celebrate this great achievement and moment, as you prepare yourself for the journey ahead. I am looking forward to seeing what you do next. As you go, I know that you'll remember the roots that you have planted here, the people who have watered them, and the support of those you leave behind. One day you'll walk the hallways, fondly remembering meeting your friends by the lockers, the dash to the field house for gym class, participating in your first play, scoring a winning goal, and the laughs over cheese fries at Angelo's. As you build upon the foundation started at CRLS, these are the memories you will keep.

With pride,

Sumbul Siddiqui, Mayor
